The Blue and Gold

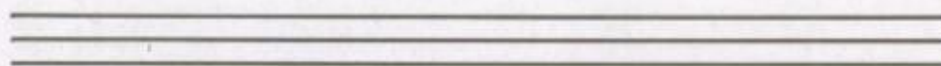

1946

Published by . . . The Senior Class of Grand Haven High School

FOREWORD . . .

We, the 1946 Blue and Gold Staff, present this annual to the students and faculty of the Grand Haven High School. May it always remain to those who read it a reminder of the many pleasant experiences we have shared together.

Now, as we are about to leave and become alumni of Grand Haven High School, we begin to recall the numerous incidents and experiences that have made our brief stay in high school more pleasant. The memory of these experiences is sometime dimmed by years, but if in any way this annual makes more vivid these memories, our purpose is fully accomplished.

DEDICATION . . .

The 1946 Senior Class dedicates this year book to Doris Balgooyen, Mr. Olsen's secretary. Doris was engaged as Mr. Olsen's secretary the year that we entered high school as freshmen, and her willingness to help us in every way she could has made our short four years in high school a little more pleasant.

Her friendly smile and cheery disposition have, indeed, made Doris a true friend of every member of our class.

IN MEMORY . . .

There is no death! What seems so is
transition;

This life of mortal breath
Is but a suburb of the life elysian,
Whose portal we call Death.

Longfellow.

The memory of Adrian Chittenden,
who started high school with us, is still
alive in the minds of all of us. He will
always be remembered as an ambitious
and hard working student, who was
well liked by everyone.

FACULTY

To the Student Body:

The youth of tomorrow will need a well-trained mind in a healthy body since we are entering an era of highly competitive living. Success will come to those who are willing to pay the price of preparation. Make the most of your opportunity.

EARL H. BABCOCK,
Superintendent.

Seniors of 1946:

During the war our whole national effort was bent in the direction of destruction, the destruction of our enemies' homes, his cities, his transportation facilities, and his armies. As a nation we were successful in our effort. Our enemies have been defeated and destroyed.

We now face a world littered with the debris of war. Millions of our fellowmen, allies and former enemies alike, are without homes, families, or food. Hunger stalks almost every country in the world. These are some of the crying needs requiring a solution. Upon your generation lies the responsibility of finding a just answer to these and other problems. I can think of no greater honor that could come to you than to have it said by your friends, "He played an important part in straightening out the mess left by the war." Good Luck!

Sincerely yours,

GLENN H. OLSEN, *Principal.*

THE CLASS OF 1946.

OUR WILL

Now that we have come of age,
 Now that we are wise and sage,
 We are ready for the kill
 And will make our final will.

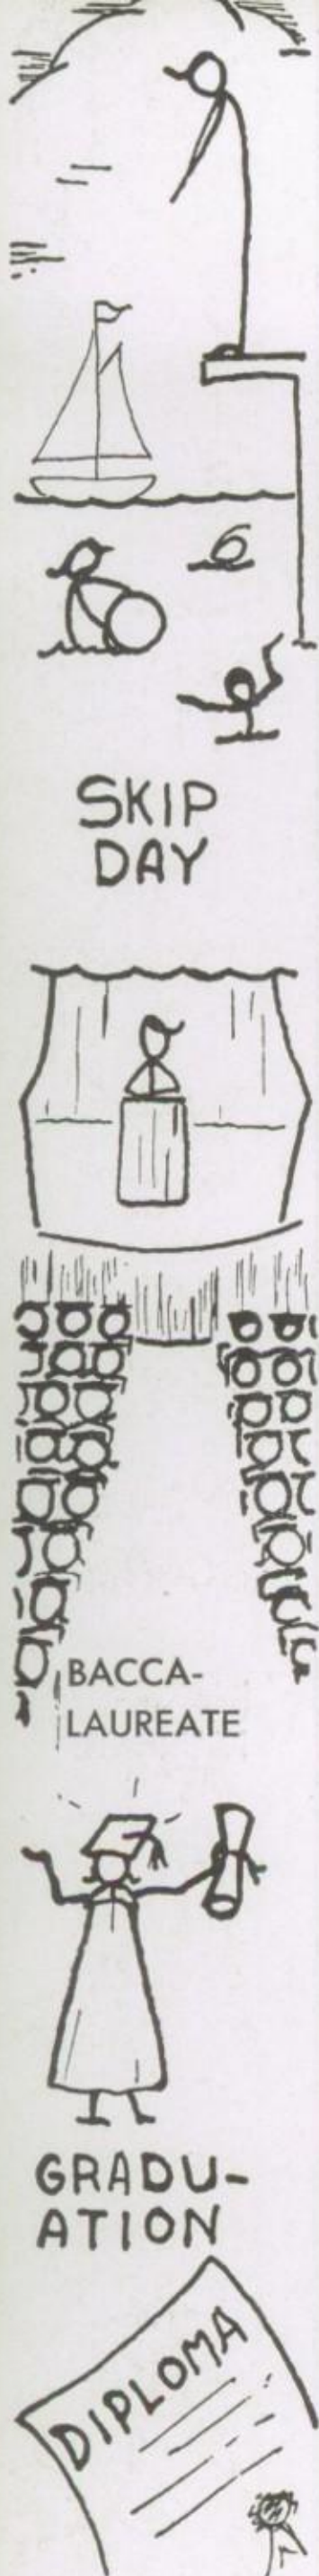

To the Juniors and their friends,
 We really ought to make amends,
 For we know they'll have a fit
 When they must learn English Lit.

To you, Sophs, so simple, jolly,
 We leave each carefree Junior folly
 And we warn you to be kind
 To those Frosh we leave behind.

To you, Frosh, so bold and green,
 We leave each Senior's realized dream
 We've made the grade, it's up to you
 To buckle down and follow through.

And so we leave a smile and tear
 For G. H. Sers here next year,
 Good-bye, good luck, and don't be blue
 Though it's au revoir from us to you.

DIPLOMA

We'll Always Remember . . .

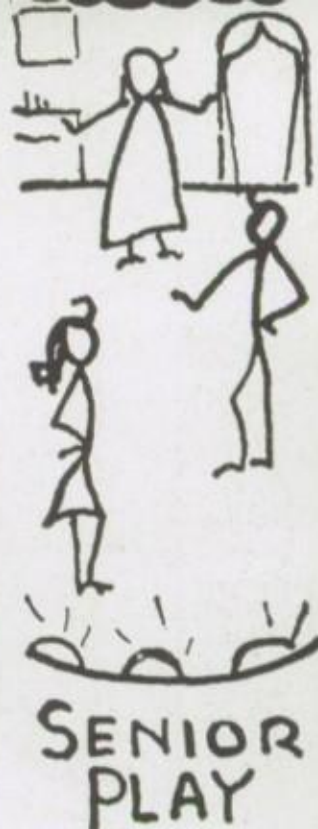

1943 — Our first year at Grand Haven High School; that feeling of anticipation; the get-acquainted parties with the upper classmen being so swell; electing Dolores George, president; Jack Hoffman, vice-president; Lois Klempel, secretary; and Beth Mersbach, treasurer; our eagerness to please; the exam dance, which we tried so hard to make successful — suddenly it was over and our first year was behind us.

1944 — Starting out our second year with zest and pep; that feeling of confidence; helping the Saturday Nite Club to put on their all school party; the election of our class officers — John Van Stratt, president; Ray Jeske, vice-president; Mary Vanden Berg, secretary, and Jack Tysman, treasurer.

1945 — Being upper classmen at last! Tearing our hair out over history tests, Hamlet, and chemistry quizzes; the juke box at Presley's — antidote for all cases of scholastic poisoning; that gay feeling; those pink and blue slips; electing John Van Stratt, president; Ed Fosheim, vice-president; Dick Woods, secretary; LaVerne Boeve, treasurer; the scrap drive — our contribution to the war effort; the Junior - Senior prom — our gift to the seniors; soft lights and dreamy music; looking forward to being seniors — a long awaited realization of our dreams.

1946 — Coming back this year; feeling important at last but pretty insignificant after all; getting our senior pictures taken; deciding to take it easy and finding we had twice as much work to do as before; our senior play, "Kind Lady" — a lot of work but also a lot of fun; electing Ed Fosheim class president; Jim Ribbink, vice president; Don Rescorla, secretary; Linn Soule, treasurer; worrying about "Blue and Gold" deadline — but not too much; that loose-end feeling; senior skip day with most of us singing "Why don't we do this more often?"; the prom — our last high school formal; graduation night with our hands hot and sticky and our knees trembling foolishly; feeling this is the end — as if a page had just been turned, never to be read again.

The years may be long, hard, and very different, but we'll always remember.

The Blue and Gold

This is it—your record of Grand Haven High School for the year 1945 - 1946.

It has been a big and busy year for the Annual Board, and each and every one on the staff hopes that you are as pleased with this year's copy of the *Blue and Gold* as they are.

Student Council

The four outstanding committees of the Student Council are these: The Victory Committee which is now in charge of the Lost and Found Department, the Class Advisory Committee, the Student Control Committee, and the Assembly Committee.

Noteworthy among the social activities of the Council is the beautiful and successful Christmas Dance, sponsored by the Council and the Band.

The Class Advisory Committee put on a Community Chest Drive and collected \$122. The Student Control Committee stimulated interest in scholarship. A rather successful sale of stamps and bonds was promoted by the Victory Committee. The Assembly Committee arranged for a variety of programs. During the year the Constitution was revised by a committee of officers and Council representatives.

The Council has tried to stimulate interest in and discussion of school problems in advisory groups.

The Saturday Nite Club

Under the direction of Mr. Thoma, the Saturday Nite Club has completed its third successful year with an average attendance of over 215. Each week a different advisory took charge of the setup and cleanup, with some advisories sponsoring something new and different such as "Sweater Swing," "Sock Shuffle," "Atomic Bomb," "Half and Half Hop," and "Sadie Hawkins Dance." An orchestra was sometimes engaged to furnish music for dancing.

The club has supported itself well enough financially to have been able to buy a new juke box, pin ball machines, card tables, and many other things which have added to the attractiveness of the club.

The Grand Haven High School is the only school in the state to have an organization of this kind. Here the school board, faculty and students cooperate to stage a weekly gathering place for students.

The Speech Club

Under the leadership of Miss Rock and our new adviser, Miss Marjorie Young, the Speech Club started this year by initiating nineteen new members. One of the outstanding programs of the year was the Christmas assembly called "Letter Back Home" which was put on in conjunction with the choir. Other activities sponsored by the Speech Club were the speech contests and a program of one-act plays. Winners in the school speech contests, sponsored by the University of Michigan, were Eleanor Link, Joan McFadden, Lawrence Minuth, Lois Blanchard, Richard Langefeld, Donn DeYoung, and James Gannon. In the line of social activities the Speech Club enjoyed a Christmas party and a hayride.

The G. A. A. started the year with bang-up initiations and impressive induction services.

In the fall of the year, soccer was played. Basketball was the winter sport, with teams being chosen in November. In the Spring, baseball and other games were played.

Besides participating in sports, the members sold programs with Hi-Y for football games and frostbites at the basketball games.

A high school skating party was given by the G. A. A. and Hi-Y on February 25. On March 21, the G. A. A. met the first team in basketball. The group also sponsored a Saturday Nite Club. During the year, the G. A. A. girls helped the Hi-Y to entertain the Birmingham football team.

The purpose of the Hi-Y Club is "to create, maintain and extend throughout the school and community high standards of Christian character."

The Hi-Y, with a nucleus of ten members from last year, initiated twenty-eight new members into the club.

During the year the group not only engaged in school activities, but also assisted in worthwhile city projects, including the Community Chest Drive, Community Housing Survey, and Shrine Circus tickets. The club again sponsored the printing of football programs for all home games, and also took charge of the Public Address system for the games.

Among the social activities of the Hi-Y this year were the sleighride party in January and the all-school skating party at the Barn in February.

The club sent two boys to the Hi-Y training camp at Torch Lake last summer. Five boys and their adviser attended the older boys' conference in Grand Rapids in November. Robert Olsen represented the local club in the legislature assembly held in Lansing in April.

The Band

The 1945-46 high school band realized one of its foremost goals in 1945 by getting new uniforms.

The band was kept very busy at the beginning of the school year playing at six football games, thereby getting a late start in concert performances. The first concert was given in February and was succeeded by a later one in May.

A new event was inaugurated in 1946. The first Ottawa County Band Festival was held in Holland, with bands from Zeeland, Hudsonville, Holland, and Grand Haven participating.

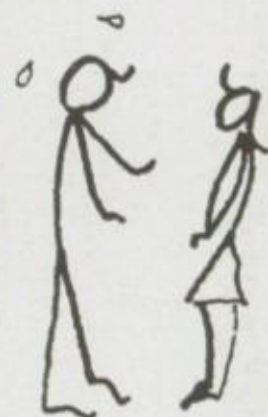

In addition to Holland, the band played at contests in Grand Rapids and Lansing. They also provided music for several assemblies and chapel services. In cooperation with the Junior Chamber of Commerce, they presented a Band Revue in April.

In February, several members participated in a solo and ensemble festival at Greenville.

The band concluded its school year by marching in the Memorial Day Parade.

The Library Assistants

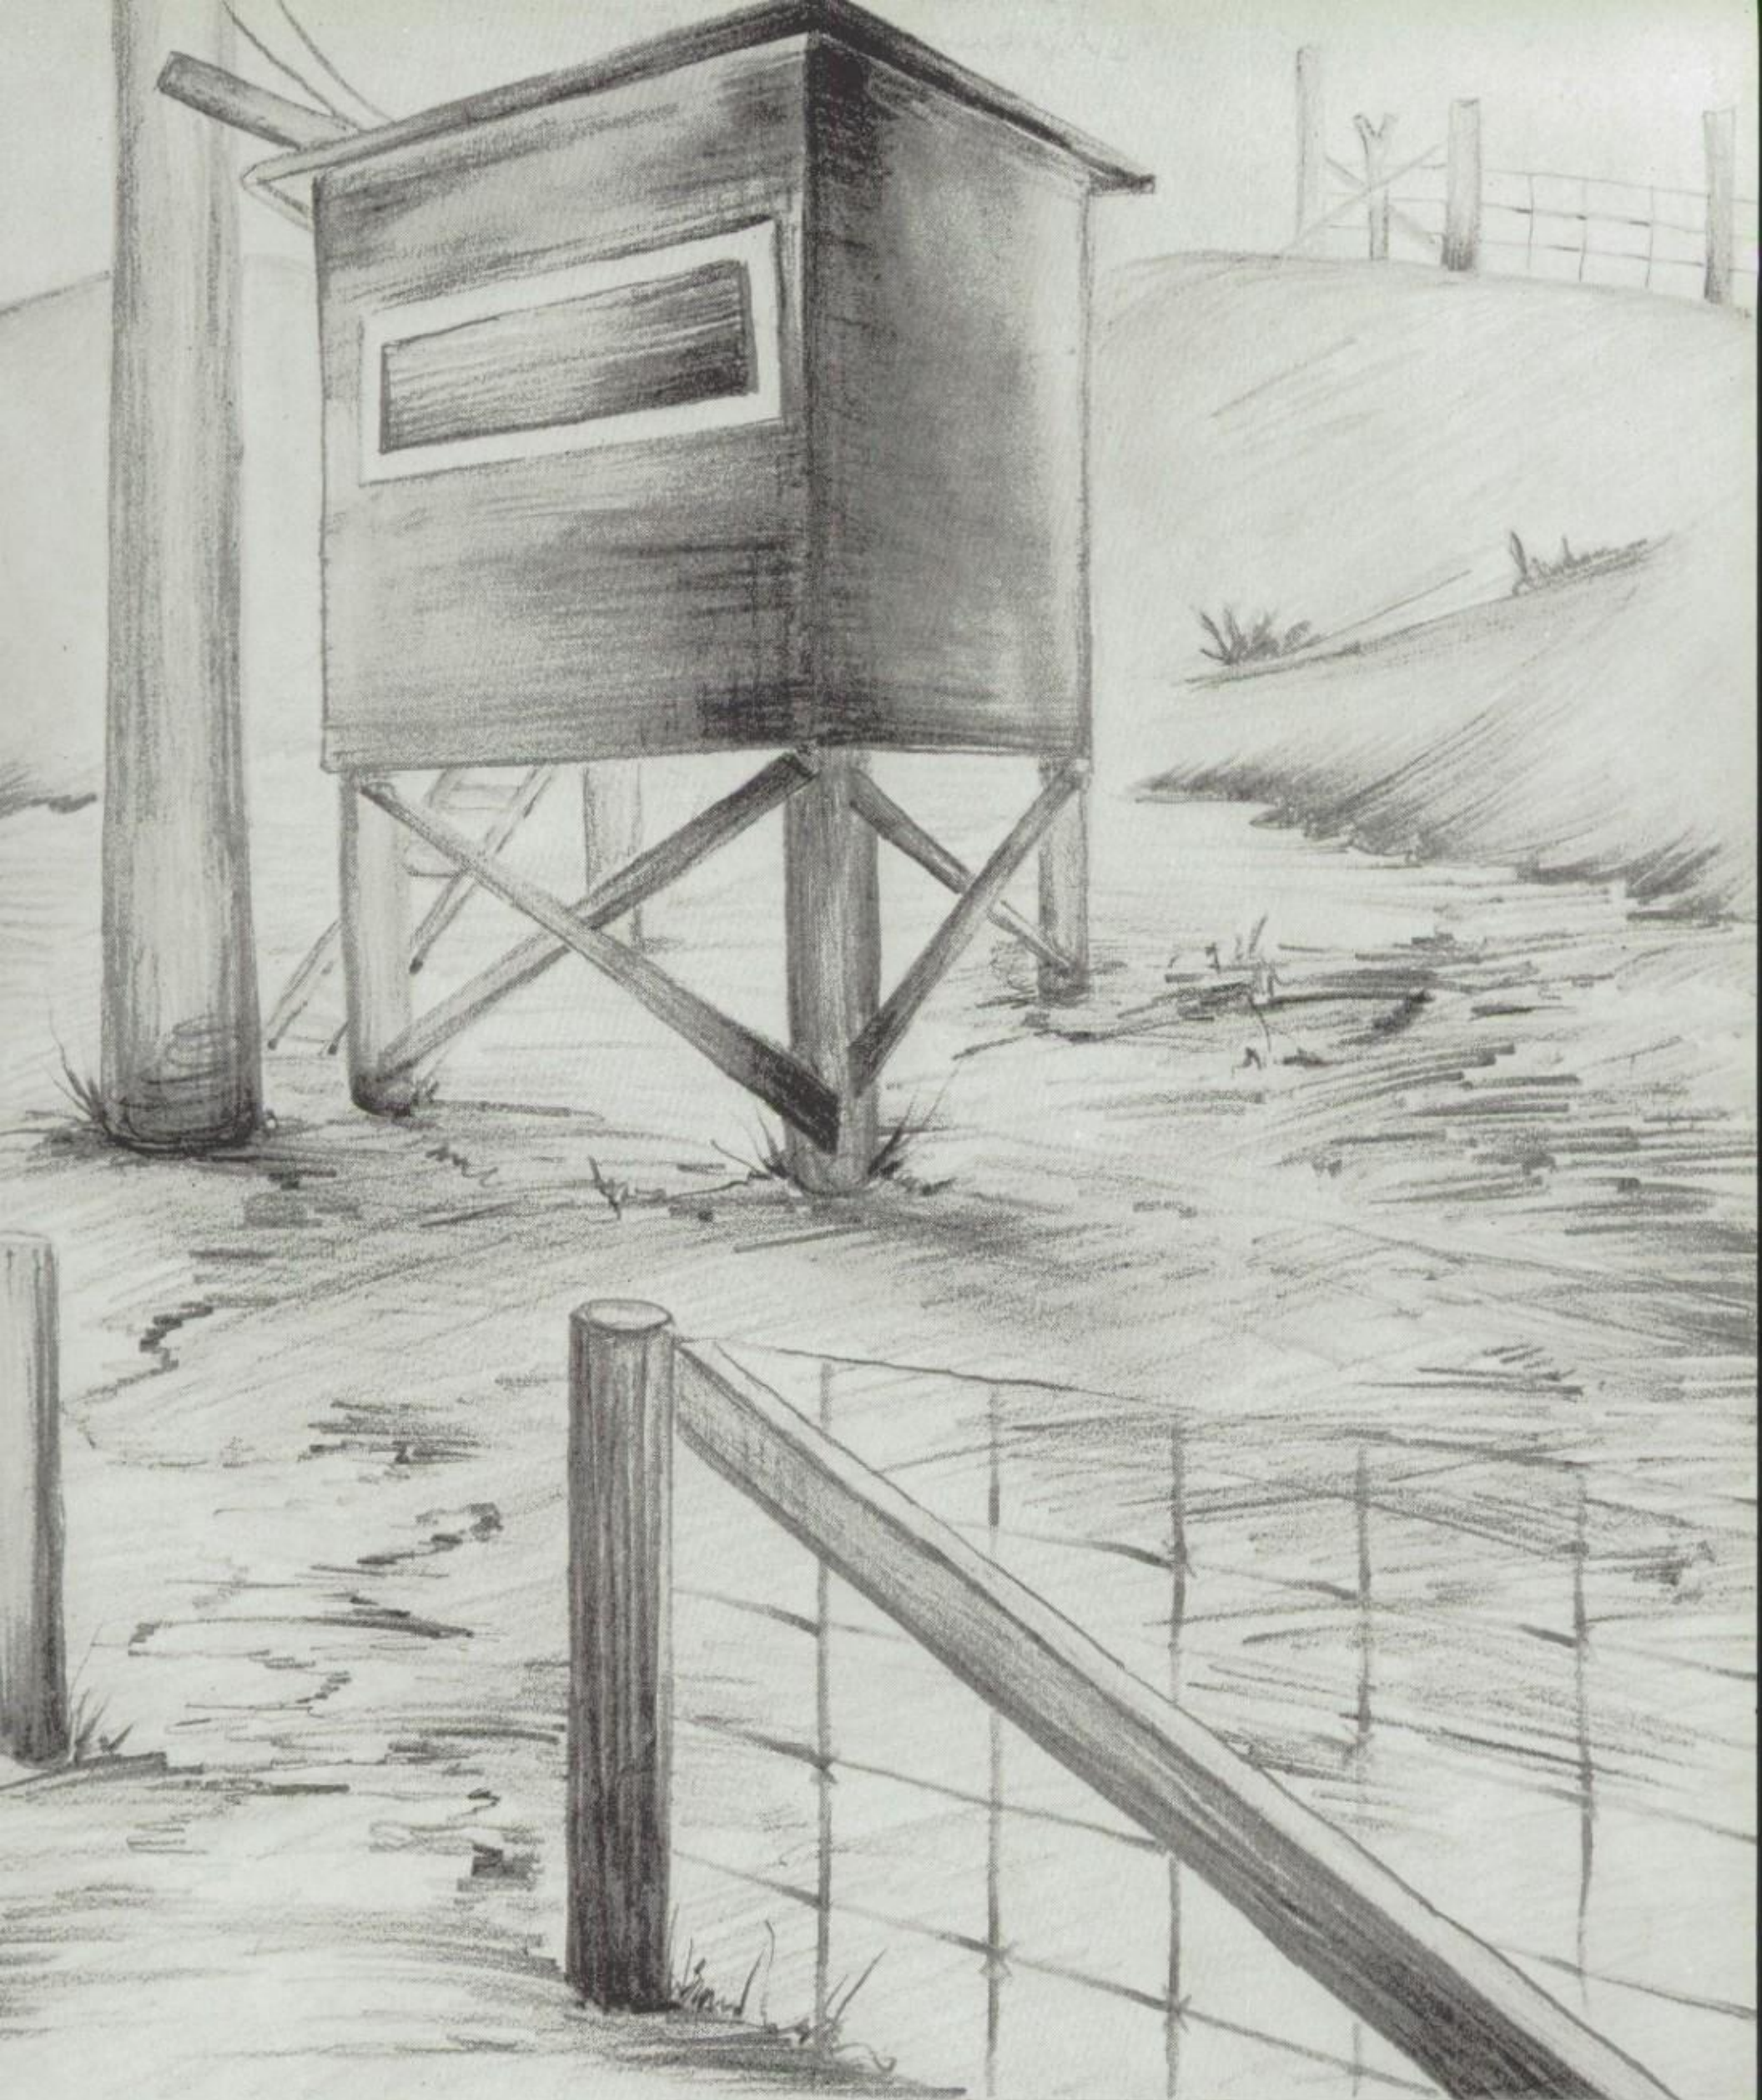

The library assistants spend one hour a day working in the library. Besides the routine work of circulating books and magazines, they do extra work such as returning books to the shelves, sending out overdue notices, and filing catalog cards. They also help students to use the encyclopedias and the *Readers' Guide*.

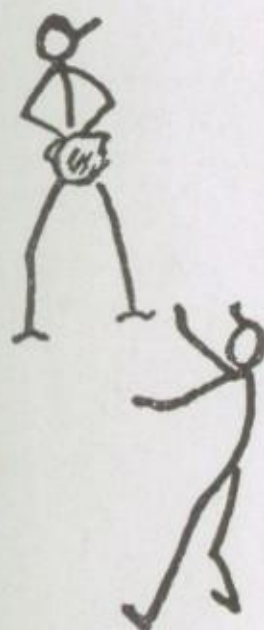

During the past year, the library assistants were Margaret Williams, Lois Boer, John Bobel, Charles Hastings, Lois Blanchard, Esther Cook, June Dawes, and Carolyn Vanden Brand.

FOOTBALL 1945

Even though the Grand Haven football team didn't look very powerful in all its conference games, it showed that it was one of the most aggressive and hard-charging class "B" teams in the state by beating Ludington and Birmingham, each of whom went on through the season to win the championships of their respective conferences. It is the opinion of many people that if Grand Haven would play more teams in its own class, it would invariably win the mythical state "Class 'B'" championship. Grand Haven is just too good for class "B" competition and not quite good enough for class "A."

GRAND HAVEN vs. —

LUDINGTON — Playing in the rain on a very muddy Ferry Field, the Bucs" looked sloppy all the first half, but they poured on the coal in the second and won 13-0.

BENTON HARBOR — The field at Benton Harbor was more of a swamp than a football field after an all day rain. The "Bucs" were swamped 25-0.

MUSKEGON — The "Big Reds" made 19 points in the first quarter, and it looked as if the "Bucs" would have to be carried off the field in pieces, but suddenly the whole Grand Haven team began to function as a unit, and the powerful offense of Muskegon was forced to a bruising halt. The last three-quarters of the game were hard-fought, and there was no further scoring by either team. The final score was 19-0.

KALAMAZOO — The Blue and Gold did a turn-about-face after the Muskegon game and were out-fought, out-played, and left out during all of the game. Kazoo won easily by a 33-0 score.

SOUTH — The Trojans were surprised to see the competition that was given them by this team that had been so downtrodden the week before, but the Grand Rapids "Class 'A'" school had little trouble defeating the every-tryin', ever-fightin' "Bucs," 20-6.

MUSKEGON HEIGHTS—As in the Muskegon game, the "Bucs" lost this game in the first quarter when the boys from the Heights piled up 25 points. All the rest of the game, the "Bucs" and "Tigers" were pretty evenly matched. The "Tigers" won 37-12.

LUDINGTON ST. SIMON'S—This game was scheduled for the first team substitutes on an open date for the "Bucs." When the subs got through, the Ludington boys were of the opinion that the entire first team had been employed in their massacre, 25-6.

BIRMINGHAM—This class "B" school from near Detroit was picked by Detroit sportswriters to beat us by at least three touchdowns. They were wrong. We won this bitterly fought game 13-0.

HOLLAND—As usual, this game was fought with its traditional fury, and as usual Holland was favored by 14 points. All they got was seven, but this wasn't enough to win because Grand Haven likewise had seven. 7-7.

JOHN VAN STRATT — Captain Van Stratt, a three-year man on the varsity, who could be depended on to make a gain whenever he had the ball.

JACK HOFFMAN — Our signal calling right-half. Jack was switched from the line to the backfield this year, and this change was all for the best.

Basketball 1945-46

The Grand Haven Buccaneers started the 1945-46 season with Mr. Sluka as the new coach and with a green and inexperienced team. For the most part, the "Bucs" played in competition out of their class but made a record of 7 wins and 10 losses. Eight seniors played their last season for Grand Haven. Four lettermen will return to form the nucleus of next year's team.

GRAND HAVEN 21 — ZEELAND 19

The "Buc's" 1945-46 season started off with a real thriller when the "Bucs" played a see-saw battle on the Zeeland floor. Ribbink dropped in a bucket in the closing seconds of play to knot the game at 19 all. Then the "Bucs" went on to win in the overtime. Van Stratt led the team's scoring, and with Ribbink, stood out in this ball game.

GRAND HAVEN 34 — NORTH MUSKEGON 20

At North Muskegon the "Bucs" walked off with victory number two by the score of 34-20. DeWitt with 13 points led Grand Haven in scoring.

GRAND HAVEN 29 — MUSKEGON ST. JOSEPH 12

In their first home game of the year, Grand Haven handed the Class C Muskegon St. Joseph team a 29-12 drubbing. DeWitt again led the "Buc's" scoring with 10 points.

GRAND HAVEN 24 — FREMONT 20

In a slow moving first half, the "Bucs" were out-scored and out-played, but in the second half our offense, led by Kistler and Engle, got started and we walked off with our third straight victory.

GRAND HAVEN 18 — KALAMAZOO 28

With the invasion of the tall Kalamazoo team, Grand Haven suffered its first defeat 28-18. Grand Haven's inability to find the hoop proved very disastrous. Van Stratt led our team's scoring with 6 points.

GRAND HAVEN 16 — MUSKEGON HEIGHTS 34

After holding the Heights' "Tigers" on even terms for the first quarter, the "Bucs" fell far behind and were easily defeated 34-16. Van Stratt was the only player to hit the basket consistently and garnered eight points.

GRAND HAVEN 39 — HOLLAND 56

On a slippery Holland court the "Bucs" looked much improved over the previous week, but went down under the tall "Dutch" by the score of 56-39. With 12 points apiece, Van Stratt and DeWitt led Grand Haven's attack.

GRAND HAVEN 29 — BENTON HARBOR 51

Before a very strong Benton Harbor outfit, the "Bucs" suffered their fourth straight defeat by the score of 51-29. The game was a thriller despite the score. Van Stratt again led Grand Haven with 9 points.

GRAND HAVEN 30 — MUSKEGON 37

The "Bucs" matched the sharp shooting Muskegon "Reds" point for point for three quarters, but in the fourth quarter Muskegon forged ahead to defeat the "Bucs" 37-30. Van Stratt with ten points was Grand Haven's leading scorer.

GRAND HAVEN 23 — KALAMAZOO 39

On their own floor, the Kalamazoo team beat the "Buccaneers" for the second time by the score of 39-23. The "Bucs" had trouble getting started and were trailing the entire game. Ribbink led the team's scoring with 6 points.

GRAND HAVEN 30 — MUSKEGON HEIGHTS 29

In the most thrilling game of the year, the "Bucs" turned on the heat after trailing most of the game, and went ahead to defeat the Heights' "Tigers" by the score of 30-29. Ribbink turned in a fine defensive game besides sharing scoring honors with Kistler and Van Stratt.

GRAND HAVEN 35 — HOLLAND 53

Before a large crowd, the "Bucs" were again defeated by their county rivals to the tune of 53-35. Holland's height proved to be a deciding factor in this game. Final score: Holland 53 — Grand Haven 35. By dropping in 16 points, Van Stratt led the local attack.

GRAND HAVEN 41 — BENTON HARBOR 56

After a bad first quarter, the Blue and Gold caught fire and matched the Benton Harbor team point for point for the rest of the game. Still unable to overcome the first quarter margin the "Bucs" fell 56-41. Boeve with 16 points led Grand Haven's attack.

GRAND HAVEN 27 — MUSKEGON 63

Showing a complete offensive and defensive slump, the "Buccaneers" were outclassed by a fast "Big Red" quintet. The "Bucs" were trailing from the start and went down 63-27. Boeve and Carrier tallied 6 points to lead our team.

GRAND HAVEN 32 — RAVENNA 21

After trailing in the first quarter, the "Buccaneers" came back strong to beat a game and aggressive Class C Ravenna squad. Final score: Grand Haven 32, Ravenna 21. DeWitt with 13 points and Van Stratt with 10, were the big guns on offensive.

DISTRICT TOURNAMENT

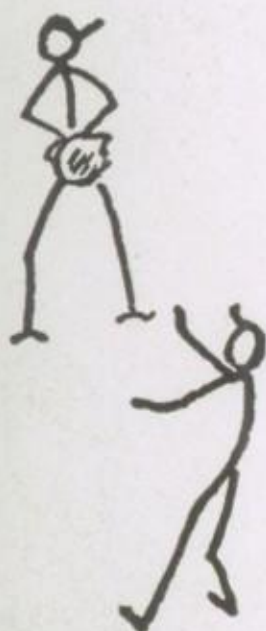

GRAND HAVEN 29 — FREMONT 27

In the District semi-finals, Grand Haven defeated the Fremont "Packers" 29-27. It was a nip and tuck battle all the way, with Grand Haven surging ahead in the closing minutes. Van Stratt with 12 points again led the Blue and Gold.

GRAND HAVEN 20 — LUDINGTON 30

The "Buccaneers" were downed by the unbeaten Ludington "Orioles" 30-20 in the District finals. After holding the "Orioles" on even terms the first half, the "Bucs" offense stalled and Ludington went ahead to win. Van Stratt and DeWitt led the offense with 6 points.

Baseball

The Grand Haven High School baseball team studded with returning lettermen is looking forward to a very successful season. With veterans, John Mahder, Jack Westerhof, Mel Meyers, Louie Vollmer, Don DeWitt, John Bottje, and many promising rookies, Coach Sluka has some fine material with which to build his 1946 team. They have a 13 game schedule and should provide keen competition for all opponents.

CONGRATULATIONS

To the Class of 1946!

IN NO OTHER COUNTRY on earth can a student leave High School with as great an opportunity for individual accomplishment as you have in America.

It is our hope that you may take advantage of that opportunity . . . that your life may be filled with many blessings and much success . . . that you may guard your heritage well and pass it on to succeeding generations. Today more than ever your country and the world needs citizens of high ideals and dauntless courage who will assume the responsibilities that rest upon the individual in a democracy. Assume those responsibilities.

Many things and many people have helped to make America great . . . may you help to keep it great to fulfill its destiny in God's plan for the world.
